United States District Court for the Western district Washington

Docket No.:2:13-cv-00329

## MOTION TO QUASH OR VACATE SUBPOENA

\_\_\_\_\_ Does not own a computer although she has internet access, she has it for the use of the grandchildren when they come over as it is something to keep them entertained when they bring over there own computers  
\_\_\_\_\_ also lives in a apt complex from which I understand any body that is within a certain distance can also use her wi fi service \_\_\_\_\_ is 70 years old born june of 1942 I do not think she has the capabilities to understand as to how to download illegal movies and as stated before doe 1-44 does not own a computer so we are are asking the Court to vacate or squash this subpoena,

Thank You,

I.P. address noted for motion to quash or vacate
